Managers only will be allowed to come on the field in a controlled manner and ask for a rule interpretation. Also, in a two-man system, the manager may ask for help from the home plate umpire on pulling of foot, leaving early, and etc.
 - b) Team managers are responsible for their coaches' and parents' conduct in the dugout at all times.

 - a) If two (2) or more people arrive at the same time to sign up for the coach's waiting list, then numbers will be drawn from a hat to determine the order in which the names will be added.
 - b) The league Secretary will have copies of the official waiting lists for each league, and those copies will be considered the official lists.
 - c) Any coach from previous year that wants to coach the following year has priority over the waiting list.
 - d) Any returning assistant coaches will have seniority behind all returning coaches but before new coaches.
- 4) There will be no refunds after draft day. **NO EXCEPTIONS!**

- 5) A team may have one (1) manager and two (2) assistant coaches (T-ball may have 3 assistant coaches). A coach may not be named as a coach on more than one team for the purpose of protecting both children.
- 6) There must be at least one (1) adult in the dugout at all times.
- 7) At the end of registration and prior to tryouts, a coach's meeting will be held. All returning managers on the waiting list will be notified. Board maintains the coaches list.
- 8) Players will be chosen for teams by method of a draft (see Draft Rules). If a team does not have a coach, then the league director will appoint someone to draft the team.
- 9) Any coach who is ejected from a game will sit out the next game that their team plays (scheduled or make-up) and may be ineligible to coach All Stars as manager or assistant, pending Board review. Any coach who is ejected from 2 games will be removed from their coaching duties for the remainder of the season. Board will review eligibility for next year.
- 10) Any manager or assistant coach who verbally or physically abuses any player or umpire will be disciplined as the Board of Directors deem appropriate. **NO COACH IS ALLOWED TO ENCOURAGE OR SUGGEST THAT ANY PLAYER QUIT OR PLAY ELSEWHERE BASED ON ABILITY, RACE, SEX, ETC.** If a coach is concerned with a player's safety due to ability, the league director should be notified so that appropriate action can be taken where warranted.
- 11) Any player who physically or verbally abuses another player or umpire will be suspended for the remainder of that game and the next consecutive game. This includes throwing helmets, tossing bats, and any other disruption on the field or within the confines of the dugout. Suspensions will be noted and may result in disqualification for All-Star consideration. If a second offense occurs, the player is suspended for the remainder of the year.
- 12) Managers, assistant coaches, team parents, and umpires may not use tobacco products on the field or in the dugouts, nor may they leave the field during the course of a game to do so.

A coach that violates will not be eligible to coach All-Stars, his son must return to the draft, and the coach will not be allowed to coach the following year.
- 15) A game can begin and be completed with one or both teams fielding only eight (8) players. At the completion of the game, it will stand as an official game. Any players that arrive after the game begins will be added to the end of the batting order. A team fielding only eight (8) players will be charged with an out each time the ninth position arrives in the batting order.
- 16) ALL RAINOUTS WILL BE SCHEDULED BY THE LEAGUE DIRECTOR IN CONSULTATION WITH THE BOARD. If a team fails to show for a make-up game, a forfeit will be declared. Every effort will be made to avoid making up games on Sunday. In the event that it becomes absolutely necessary to play games on Sunday, church hours will be avoided.
- a) Every effort will be made to make up rainout games. In the event that time does not allow for a makeup game, the league director or the League President may make adjustments to team schedules to make sure all games that effect first place are played so that the league champions are decided on the field. Affecting first place means any game when played creates a true winner or tie for first place in that league.
- 17) During Regular Season games, if two teams are tied at the end of regulation time, then one additional inning will be played to decide a winner. If the game remains tied after the additional inning, then the game will be a tie in the record books and treated as a suspended game to be completed only if completion affects first place. No inning may start after 10:00 p.m. when players have school the next day. Coaches, league officials and umpires may agree to suspend a game if circumstances require it. - b) If 2 teams are tied for the best record, a 1-game playoff will determine #1 seed. This game will be played immediately after all regularly scheduled games have been played.

- c) If a player is present at game time but cannot play due to injury or illness, he will be listed in the batting order but skipped without penalty.
- d) Under both above described situations, the condition of the player or reason for him being skipped shall be listed by his name in the official scorebook. This will be done after the opposing head coach and chief umpire have been advised of the player's condition.

SELECTION PROCESS

Coaches Nominations

Each coach will nominate players from their own team who are deserving of all-star consideration. There is not a minimum nor maximum number the coach is required to nominate. The coach will submit a nomination form for each player. The coach will only fill these out on the players they are submitting for their team. The forms will be shared with each coach to be reviewed. A list of all players nominated will be generated. At this point, a coach can nominate a player from other teams who was not nominated but is deserving of a nomination. The final list will be produced.

Selections

Each coach will fill out a roster of 12 players and will submit anonymously to their league director. The results will be sent out to the coaches. The players receiving unanimous votes will automatically be on the team. The players receiving the highest number of votes will fill in the next spots until 9 players have been reached. In the event of a tie for the final spot or spots, the tied players will be voted on as a tie breaker. Once 9 players have received either unanimous or highest number of votes, the All-star coach can select 3 players from the list nominated to complete their roster.
